- the distance between the pick-up location and the destination;

If a Customer asks you to change the destination or asks you to change your route in any way, for example, by asking you to make an unscheduled stop, pick-up or drop-off, the original Fare Estimate provided to the Customer shall no longer be valid. We will notify the Customer of the new Fare Estimate and we will charge the Customer the Fare for the actual Ride Taken, rather than for the journey as indicated in the original Booking Request.
